

## This Innocent Past Time May Be Threatening Your Marriage

*Learn how the right kind of table can help give you a happy life...*

Besides being the table game most enjoyed by Americans, JIGSAW PUZZLES are great for your mental health. Exercising *both* your right and left brain at the same time:

- Makes you more **alert**...
- Increases your **creative output**...
- Helps to prevent “old age” illnesses like **memory loss, dementia and Alzheimer’s**...
- Gives you a better chance at enjoying a **longer** life span!

*“Crazy Fun...” “Wildly Addictive...” “Horribly Messy...”*

However, nothing creates unruly clutter and mealtime disruptions like a jigsaw puzzle. And according to Daily Mail Online, 3-in-10 UK couples are blaming their divorces on simple domestic issues. Clutter vs. OCD conflict is listed on “Top 5-10 Reasons for Divorce” lists, [worldwide!](#)

You love your puzzles, you love your marriage. You’re tired of the too-small card table and your beloved is tired of the mess.

Bits & Pieces would like to help you save your marriage, and keep your health-conscious hobby, with a little four-drawer magic. Our [Jumbo Sized Puzzle Keeper and Work Surface](#) is a puzzle solver’s all-purpose tool and storage unit:

- It will simplify your puzzles-in-progress and your daily cleanup habits...  
*(Keeps all the pieces in a single location and can be easily lifted and moved – stored under the couch, if you prefer)*
- Works out great for the “puzzlers” in your family because it fits even large puzzles...  
*(Up to 1,500 pieces, or 26” X 35”)*
- Has four smooth slip drawers for safer puzzle storage...
- Has no legs so it can move wherever it’s most convenient; table...across your armchair...under the bed...

Save time, effort, annoyance, fights, pieces, and maybe even divorce bills when you [BUY](#) the [Jumbo Sized Puzzle Keeper and Work Surface](#).

## **What People Are Saying**

“I think your title is brilliant! It made me want to read your letter.”

*Glenna G. Hale*

“The curiosity factor kept me reading! Your formatting is spot on and I liked your use of links.

All in all, I really enjoyed reading it!”

*Jeanne*

“I loved the product you wrote about. I am a puzzle fan and you piqued my curiosity, making me want to search out more info/pricing etc., and kept me reading until the end.”

*Donna Landry*

“Good job. Good writing. Although there is a teeny part of me that reads the headline and asks, "Really? Seriously?"

That said, it would probably work gangbusters! : )”

*Nick Osborne*

“I love it. Headlines, middle and ending. It created a picture in my mind.

Thanks for sharing.”

*Terry*
